IMPORTANT INFORMATION

COVID-19 testing with Bonitas Health

PAYMENT OF TESTS

Bonitas will pay for COVID-19 PCR tests from risk, whether the result is positive or negative, provided that the member who took the test:

- Showed symptoms for COVID-19
- Was in contact with an individual with the virus; and
- Was referred by a healthcare practitioner (doctor or nurse)

TREATMENT PROTOCOLS

COVID-19 will be identified by ICD-10 codes U07.1 and U07.2. These ICD-10 codes submitted in the Primary position will trigger a treatment protocol.

The PMB (Prescribed Minimum Benefit) treatment protocol will:

- Apply to claims in and out of hospital.
- Apply in conjunction with other PMB treatment protocols that the individual may have.
- PMB treatment protocols per individual beneficiary can be reviewed by exception management and adjusted accordingly.
- The claims that match the criteria of the treatment protocol will apply to the current PMB claims processing rules in accordance with the Scheme Rules.
