Important Information

This beneficiary form may be used for your fund credit as well as your Approved and Unapproved group life assurance benefits.

- Unapproved group life assurance: this is your death benefit which is funded via a company owned group policy. Premiums are taxed as a fringe benefit but the benefit will be paid to your nominated beneficiaries free of tax. The Trustees will have no control over the distribution of your benefit which must be paid directly to your beneficiaries by the Insurer. If there is no completed beneficiary nomination form on record then this benefit will be paid to your Estate in terms of the Policy's terms and conditions.
- Approved group life assurance: this is your death benefit funded via your retirement fund. Premiums are tax deductible but the benefit will be taxed with your fund credit in line with the retirement fund tax tables. The proceeds will be distributed in terms of Section 37C of the Pension Funds Act 24 of 1956 (the Act) which requires the Trustees of the Fund to apportion your Fund benefits between your dependants and nominees, as may be deemed equitable.

Dependants are defined according to specific criteria in the Act and may either be legal or factual dependants. Your nomination will serve as a guide to the Trustees when making these decisions. The Act defines a Dependant as follows - "dependant", in relation to a member means –

- a person in respect of whom the member is legally liable for maintenance;
- a person in respect of whom the member is not legally liable for maintenance, if such person -
 - was, in the opinion of the board, upon the death of the member in fact dependent on the member for maintenance;
 - is the spouse (*) of the member;
 - is a child of the member, including a child born after the member's death, an adopted child and a child born out of wedlock.
- a person in respect of whom the member would have become legally liable for maintenance, had the member not died.

* "spouse" means a person who is the permanent life partner or spouse or civil union partner of a member in accordance with the Marriage Act, 1961 (Act No. 68 of 1961), the Recognition of Customary Marriages Act, 1998 (Act No. 68 of 1997), or the Civil Union Act, 2006 (Act No. 17 of 2006), or the tenets of a religion.

Proceeds that must be paid to minors (person below the age of 18 years) may be paid to a beneficiary trust, beneficiary fund, the policyholder, or to the Guardian's Fund administered by the Master of the High Court. Please make note of any specific requests on this form or on accompanying documentation that you would like the Trustee/Insurer to consider.
