Destiny Portfolio Range

Destiny Moderate Portfolio

Factsheet at 30 November 2025

Investment horizon: Long term

Investments managed by: GIB Financial Services (Pty) Ltd

Investment mandate

This investment portfolio is aimed at income and capital growth. The equity content will be greater than the bond and cash components. The portfolio, however, would tend to be less volatile than the market as a whole. The portfolio is managed in compliance with Prudential Investment Guidelines as well as being comprehensively managed to comply with the limits of Annexure A to regulation 28 of the Pension Funds Act.

Investment strategy

The investment strategy is to maximise the allocation of investment receipts towards retirement funding investments, and to objectively select and manage asset manager allocations on its members' behalf so as to maximise investment returns at an appropriate level of risk.

Disclosures

Investment returns for periods exceeding one year are annualised. All returns quoted are before deduction of fees, but after the deduction of performance fees on global underlying investments (where applicable). All returns are daily time-weighted returns. The return for the global component of a portfolio is generated at month-end using the global component's last known price. The return for Consumer Price Index (CPI) is to the end of the previous month.
For investments in collective investments schemes (CIS), please refer to the minimum disclosure document (MDD), which is available from the respective CIS manager. The MDD contains important information relating to investment in the respective CIS.
