

Fiduciary Solutions

Trusted Fiduciary Solutions for Families, Individuals & Businesses

About us

GIB Fiduciary, a trusted division of the GIB Financial Services Group, delivers client-focused estate planning solutions designed for individuals, families, and business owners across South Africa. Our comprehensive range of fiduciary services includes Will drafting, Trust creation and administration, executor nominations, and independent trustee services and is built on integrity, compliance, and care.

Wills made simple: One Step to Protect Your Family

Don't Leave Your Family in a Tough Spot

Without a will, your family could be left dealing with uncertainty, delays and unwanted drama over your estate. The government decides who inherits what – and it hardly ever works out the way you would have wanted. Here's the Reality. Around 70% of South Africans die without a will in place. That leaves families with messy admin, frozen bank accounts, costly delays and unnecessary conflict.

Why choose GIB Fiduciary

It's Effortless

You can do it all from your phone or laptop, no in-person meetings unless you want one.

Fast Turnaround

We'll have your will ready within 24 hours of receiving your completed form.

Customised for You

Simple or complex—with trusts or guardianship clauses – we'll get your estate sorted.

Zero Cost

We don't charge a cent for drafting, updating or safekeeping your will.

Live Online Wills Platform

The Live Wills Platform provides an efficient and convenient way to simplify will applications.

Estate Focused Life-Cover

Tailored financial protection that preserves assets and streamlines estate transfer.
