

Aviation Insurance

Integrity | Intelligence | Energy
At your service

About us

GIB Aviation consistently delivers reliable, personalised service in a constantly changing world.

Utilising first-class insurers, we arrange both simple and complex insurance and reinsurance programmes for Aircraft Owners, General Aviation and Airline Operators, Airport Owners and Operators, Maintenance and Manufacturing Facilities throughout Africa and beyond.

Our team takes pride in developing long-lasting relationships and as Aviation specialists with the benefit of the wider GIB organisation, we are able to deliver customer-focused solutions for all your insurance needs through to the effective settlement of claims.
